NEW BUSINESS

A. Subject: Bid Results for FY 2021 Sewer Rehab Project and award of contract

The project is a multiple year project and design started in FY 21-22 and identified in the FY 22-23 budget. We note that in reviewing the bid proposals, it was found that the Dawson-Mauldin, LLC subtotals do not add up to the total base bid. In other words, the total reflected in words is \$1,250,725.68 which is less than the actual total of \$1,256,975.68 if added correctly. As the specifications Instruction to Bidders Section 00100, 1.04 Item A.2 states that the bid in words govern over the figures, the District is holding Dawson-Mauldin to the lessor amount reflected in the bid and Dawson-Mauldin agrees to that amount. It was asked for a timeline of the project, and it was answered that it is a 220-day project. It was asked why the bid alternate was not going do to be included, and it was answered that the District awards on total base bids, and the alternate was too costly.

There being no comment from the public, a motion to accept the Bid Results for FY 2021 Sewer Rehab Project and award of contract to Dawson Mauldin was made by Director Robertson and seconded by Director Mejia, and approved by a unanimous voice vote:

B. Subject: Pre-Purchase Equipment for North Street Panel Replacement

General Manager Cazares let the Board know that request for quotes was sent directly to vendors for the procurement of the electrical control panel equipment for the North Street Pump Station. Quotes were due to the District office on May 22, 2023. Aqua Sierra was the only quote received. Installation of the electrical control panel will occur after the panel is delivered to the District.

There being no comment from the public, a motion to approve the issuance of a purchase order by the General Manager to Aqua Sierra Controls, Inc. in the amount of \$116,680.17 for procurement of electrical control panel equipment for the North Street Pump Station was made by Director Robertson, and seconded by Director Pursell, and approved by the following voice vote:

GENERAL MANAGER REPORTS

General Manager Cazares reminded the Board of the upcoming CASA Conference.

The District held a luncheon for all three cities (Selma-Kingsburg-Fowler) in honor of National Public Works Week on Wednesday May 24.

SKF had a Collection System Master Plan meeting with PAC on June 8, 2023.

Valley Regional Occupational Program will begin on June 12, 2023

GENERAL COUNSEL REPORT

General Counsel Montoy gave report on a Closed Session item from the May 11, 2023, Board Meeting concerning the outstanding debt owed from National Raisin. The Board provided direction to General Counsel Montoy and General Manager Cazares and within five days a written agreement from National Raisin to the District was achieved. The agreement that was reached was all in accordance with Board authorization as well as the background of the debt that was owed to the District from National Raisin. The settlement amount that National Raisin will pay the District is \$379,052.23 which was the amount that National Raisin was in arrears. The agreement includes a specific payment schedule in which National Raisin will pay a sum of \$25,000 twice a month beginning with the first payment on July 7, 2023. There is specific language in the agreement that says the account must remain current at all times. There is specific language in the agreement that the District can take any action against National Raisin to enforce the agreement. This agreement can be terminated at any time by the District for any breach made by National Raisin. This means the District can automatically file a lien against National Raisin without starting any process over.

ADJOURNMENT

There being no further business to come before the Board, Chairman Mendes declared the meeting adjourned on a motion made by Director Robertson, and seconded by Director Pursell, and approved by a unanimous voice vote at 3:15 p.m.

Respectfully submitted,	Approved,

A. Subject: FY 2023-24 Draft Capital Improvement Program (p.4)

Recommendation: The Committee will review the FY 2023-24 Draft Capital Improvement Program and consider recommending acceptance to the S-K-F CSD Board of Directors as presented or with amendments.

The CIP is a plan that identifies capital improvement needs and allocates available dollars over a ten-year period. Development of the ten-year CIP includes opportunities for input from the CIP Committee, District department heads, cities, and the Board of Directors to help ensure that the projects meet the District's needs. It was suggested to put prospective Equivalent Single-Family Residence (ESFR's) in the Projected Cash Analysis.

There being no comment from the public a motion to accept recommending the FY 2023-24 Draft Capital Improvement Program to the S-K-F CSD Board of Directors pending comments was made by Member Tucker and seconded by Member Henderson and approved by a unanimous vote:

B. Subject: FY 2023-24 Draft Budget. (p.5)

Recommendation: The Committee will review the draft FY 2023-24 Budget and consider recommending acceptance to the S-K-F CSD Board of Directors as presented or with amendments.

General Manager Cazares and Administrative Services/HR Manager Miller presented the draft Fiscal Year 2023-24 Budget to PAC. The Fiscal Year 2023-24 Budget will be taken up at the April 19, 2023, special Board meeting for further review, public comment, and adoption. The budget includes the rate increases approved by the Board on July 11, 2019, pursuant to the rate study conducted and the approved Proposition 218 process. For FY 2023-24, the rates will increase from \$515.95 to \$533.50 per year for Selma, from \$481.95 to \$499.50 per year for Kingsburg and from \$497.95 to \$515.50 per year for Fowler for each equivalent single- family residence (ESFR), which was approved by the Board on July 11, 2019. This will be the 5th year and final rate increase under that study.

The sewer rate increases are necessary due to increased costs of repair, refurbishment & replacement of facilities & equipment; services & supplies; salaries & benefits; labor costs; and a reduction in usage of the plant by industrial dischargers. Industrial Projected Revenues are based on previous year sent, as well as the estimates from the Industries themselves. General Manager Cazares added that industrial revenues have been trending down.

There being no comment from the public a motion to recommend acceptance of the FY 2023-24 Draft Budget to the S-K-F CSD Board of Directors pending comments was made by Member Henderson and seconded by Member Tucker and approved by a unanimous vote:

AYE:

Members Henderson, Cazares, Vice Chair Tucker, Chairman Santillan

C. <u>Subject</u>: Future Policy Advisory Committee Meetings (PAC)

Recommendation:

The Committee Will Consider Setting Future Dates for Quarterly Meetings.

Future dates calendared for July 26, 2023, and October 25, 2023

COMMITTEE MEMBER COMMUNICATION/AGENDA ITEMS

It was suggested to explore grant possibilities for future Infrastructure.

GENERAL MANAGER REPORTS

There will be a request for a late-April 2023 Meeting with S-K-F and PAC for the Collection System Master Plan.

It was asked if the recruitment process had begun for the open position of District Engineer, and it was answered that Tricia will be putting that out at the end of the week and it will remain open for approximately three weeks.

A. Subject: Collection System Master Plan Update Status Report - Receive presentation from Jon Wells, Dopudja & Wells 1) Development Phasing and Timelines for Member Cities 2) Preliminary Flow Monitoring Summary

Jon Wells from Dopudja & Wells Consulting gave a power point presentation to the PAC and SKF Staff on the Collection System Master Plan (CSMP) with regards to development phasing and timelines for member cities as well as a preliminary flow monitoring summary. He discussed the project background, existing system characterization, preliminary flow monitoring data, development projections, and schedule.

A significant amount of effort went into the flow monitoring component of this update. Each member city spent a considerable amount of time in gathering and organizing development information.

Jon Wells discussed the flow monitoring program results. Much time was spent measuring existing flows because it helps better predict future flows. He also stated that it is important to collaborate with member cities with regard to future development. He reviewed each city's development map. The consensus was that comments on each city's development map should be submitted to Jon Wells by the end of June 2023. The development timelines were organized in a "tier" format similar to the general plan of City of Fowler.

It was asked if the SKF Board members had seen this data yet, and it was answered no, this is taken to PAC first, to the SKF Board, then to the member cities.

An electronic copy of Jon Wells' presentation and detailed maps will be provided to those in attendance today.

The Collection System Master Plan team will come back to meet with the PAC on September 13th, 2023. At that time, a discussion can be held on when SKF can go to member cities' Council meetings and give a presentation of the Collection System Master Plan Update.

RESOLUTION NO. 2023-12

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SELMA-KINGSBURG-FOWLER COUNTY SANITATION DISTRICT OVERRULING PROTESTS AND CONFIRMING THE ANNUAL WRITTEN REPORT ON SEWER SERVICE CHARGES FOR FISCAL YEAR 2023-2024

RESOLVED, by the Board of Directors of the Selma-Kingsburg-Fowler County Sanitation District, Fresno County, California, as follows:

WHEREAS, since May 6, 1976, the Board of Directors has by ordinance elected to collect sewer charges on the tax roll pursuant to Health and Safety Code Sections 5473 and 5473.1; and

WHEREAS, on July 11, 2019, the Board of Directors adopted Ordinance No. 2019-02, An Ordinance of the Board of Directors of Selma-Kingsburg-Fowler County Sanitation District Electing to Collect Sewer Service Charges and Delinquencies on the Tax Roll; and

WHEREAS, Ordinance No. 2019-02 also directed the preparation and filing of Written Report containing a description of each parcel of real property receiving services and utilizing facilities from the District and containing the amount of service charge for each such parcel to be collected on the Tax Roll for each fiscal year; and

WHEREAS, said Written Report was prepared and filed with the Secretary of the District on July 13, 2023; and

WHEREAS, published notice was given of the date and time of the hearing in the manner as required by Health and Safety Code section 5473.1 as it appears by the affidavits of publication on file with the Secretary of said District; and

WHEREAS, said matter came on regularly for hearing on July 13, 2023, for the Board to receive the Written Report and consider any objections or protest to the Written Report; and

WHEREAS, all written protests and other written communications were publicly read at said meeting and all persons desiring to be heard were duly heard.

NOW, THEREFORE, the Board of Directors of Selma Kingsburg Fowler Sanitation District resolves as follows:

- 1. The foregoing recitals are true and correct and incorporated by reference.
- 2. The public hearing on the Written Report was duly noticed and held in accordance with law.
- 3. The objections to and protests against said report were not made by the owners of a majority of the separate parcels of property described in the Written Report against which charges for services and facilities provided by the District were specified.
- 4. All objections to and protests against said report have been heard by this Board and that said objections and protests by, and each of them is hereby, overruled.
- 5. The Written Report is hereby adopted in full without revision, change, reduction or modification of any charge specified therein, and that said charges shall be collected on the Tax Roll of the County of Fresno, in the manner provided by law.
- 6. The Secretary of this District is directed to file with the County Auditor of the County of Fresno, in a timely manner as set by the County of Fresno, a copy of said Report, upon which shall be endorsed over her signature a statement that the report has been finally adopted by the Board of Directors of the Selma-Kingsburg-Fowler County Sanitation District.
- 7. The County Auditor of Fresno County shall, upon receipt of said report, enter the amounts of the charges against the respective lots of parcels as they appear on the assessment roll for the Fiscal Year 2023-2024.
- 8. This resolution is effective upon adoption.

SUBJECT:

Payment to City of Selma for District's Share of the City of Selma Collection System R&R (Nebraska-Thompson-Knowles) Project.

RECOMMENDATION

That the Board approve payment to the City of Selma in the amount of \$300,000 for the District's share of the Project subject to Selma's award of the Project to Floyd Johnston Construction, the lowest responsive and responsible bidder.

EXECUTIVE SUMMARY

The District and City of Selma have partnered in an upgrade project called the City of Selma Collection System R&R (Nebraska-Thompson-Knowles Project). The basis for the collaboration is to create financial and staffing efficiencies for both the City and District. The District's portion of the Project has been described in the District's CIP as the City of Selma Collection System R&R Nebraska-Thompson-Knowles Project and is included in the District's FY 23-24 budget. The funding will be from the City of Selma RR account (GL8026-305-03).

As the lead agency, the City issued an Invitation for Bids. The parameters for reimbursement were addressed by the City and District staff and it was determined that District would pay 67% of the construction cost or not to exceed the District budget amount of \$300,000.

The Project consists of the upgrade of an existing 10-inch sewer main to a 15-inch sewer main. The scope of work is the installation of approximately 1,650 linear feet of sewer and associated appurtenances. The District is responsible for the replacement costs of a 10-inch sewer main. The City of Selma is responsible for the expanded portion to make it a 15-inch sewer main. The City of Selma completed the design and bid the project. The District will provide inspection services for the project and the City Engineer, Yamabe and Horn will coordinate the project. The City of Selma will consider awarding the project to Floyd Johnston Construction, Inc., the lowest responsive and responsible bidder, in the amount of \$649,440 at the July 17, 2023 Council meeting.
